As Dolores Greenlee always said:
"Pinto people have more fun!"

Hello!

Hope everyone has had a good start to the New Year. Indiana pinto is off to a rockin start!

I'm Jill Duzan your new president for 2016!

Congratulations to all that were elected to the board, let's make this a great year! Please be sure you have renewed your memberships with national office and Indiana. And all you amateurs don't forget to renew your Amateur card!

I'm sure everyone is ready for winter to be over and start showing again! Hopefully everyone and their horses have enjoyed the break. I know my horses are all fat and fluffy! Show dates are starting to be posted and everyone's starting to plan out their schedule and thinking about the World show already. It will all be here before we know it.

This can also be an exciting time of the year if you are looking for or have recently gotten a new horse and with the mares and new foals arriving! The babies are always so cute and fun! Hope all have a blessed foaling season.

In the next few months we will have a White Elephant Sale March 13 in Wabash and will have a booth at Hoosier Horse Fair April 1-3. And we are planning a trail ride at Brown County this year as something else the members can do besides show.

A little about me--I have had horses all my life and have showed Pinto for about 15 years. I have shown various types: Pleasure, Hunter and Miniature. And I also like to trail ride. Right now I show a miniature most of you know as "Hazel". Her very first show was at Rochester 4 years ago when her halter broke and she decided halter class should be a liberty class instead. She has come a long way since then!

Hope to see you at the shows!!

How to register your Pinto

Pinto horses can be registered directly through The Pinto Horse Association of America or through a PtHA Field Representative. To register a Pinto directly through PtHA, visit their website at www.Pinto.org to download all membership and registration application forms. PtHA Field Representatives can be found at most PtHA horse shows and can inspect your horse, fill out the necessary paperwork and assign a temporary PtHA number that allows you to show immediately and is good for three months. The Field Representative will then forward the paperwork to PtHA and a permanent number will be assigned. Please see the PtHA website for complete information on registration requirements including color, approved outcross breeds, sizes, etc.

Paperwork needed for PtHA Horse Shows

1. Copy of current National PtHA Membership Card for Owner and Exhibitor, if applicable. Also, a copy of current Amateur and/or Youth National PtHA Membership Card(s), if applicable. (All Memberships can be obtained at the show.)
2. Copy of current National PtHA Registration Paper for the horse, pony, mini or utility to be shown. (On-site PtHA Registration is available at all Indiana PtHA Horse Shows for qualified horses.)
3. Copy of all applicable paperwork – including PtHA Lease Notification Form, Family Relationship Form, etc. SEE THE SHOW BILL OR OUR WEBSITE FOR COMPLETE INFORMATION.
4. Copy of current negative Coggins Test. PLEASE NOTE: The State of Indiana requires all out-of-state horses to have a current Health Certificate – please bring a copy of this as well.

Any of the above items not provided to the Show Office may result in disqualification. The required copies listed above will be retained in a file by the Show Office staff for the current show season.

For complete registration information, visit www.Pinto.org or call PtHA at (405) 491-0111. For complete information on all Indiana PtHA Horse Shows and activities, please visit www.indianapinto.com, email us at pintobanner@gmail.com or see our list of officers for reference to call.

No Spots? No Problem!

Come join in the fun in Pinto's Solid Division

Solid color Horses, Ponies, Miniatures or Utility horses are eligible with documented color breed registered ancestry (within two generations), Solid colored animals registered with an approved outcross breed, or that have two or more Pinto characteristics.

Hello Everyone,

It's time for the Hoosier Horse Fair again. The banner deadline will be March 20th. Since this is one of the biggest banners we have it would be nice to have some articles with our members and their horses. It could be anything from fun pictures to things that you and your horse accomplished in 2015.

It's also a great way to advertise your business since we have over 200 copies to hand out. A full page ad is only \$40.00 and half page ad is only \$20.00. Please e-mail your ad to:

pintobanner@gmail.com

Make your check out to Indiana Pinto Horse Assoc. and send it to Bobbieann Lawrence at 2285 E 400 S, Columbia City, IN, 46725.

I look forward to seeing your articles.

Register your horse as PINTO

Get a 50% discount!

If you are in 4-H, you can register your horse as pinto for a 50% discounted rate. You must have/show proof of 4-H membership.

How can my horse be registered as a pinto you ask??
That's easy!! Your horse, pony or miniature have to meet the color requirements. A horse must have 4 inches total of eligible white in qualifying zones, whereas a pony must have 3 inches and a miniature must have 2 inches total. Even solid colored horses can be registered in the Solid Division.

For all details please see the Pinto Horse Association of America Inc. rulebook and registration forms on their website
www.pinto.org

Once your horse is registered please join the Indian Pinto Horse Association at their shows this summer!! We have a number of classes for both youth and adults, including showmanship, western and English horsemanship, driving and even have fun classes sponsored by our youth members.

38th Annual Hoosier Horse Fair & Expo

April 1-3, 2016

Are you thinking about applying but have a few questions about the program? We're here to help! We anticipate your questions as this is our first year for the program. We appreciate your enthusiasm!

1) The application states that candidates will be tested on three components. When and where will the testing take place?

All applicants will participate in the interview and written test components of our judging. These two components will take place on Saturday, February 28th at Indiana Downs in Shelbyville. The day will consist of interviews, written test, guest speakers and more!

The top ten from both of these components combined will move on to the horsemanship testing which will take place on Saturday, March 7th at the Hendricks County Fairgrounds in Danville, IN. This testing component will take place rain or shine, as we'll have access to a covered arena.

More information will be sent to applicants as applications are received.

2) How will Miss Congeniality be chosen?

The top ten finalists will have the opportunity to vote on who should win the title of Miss Congeniality. Top ten finalists are eligible to win. Voting will take place on Thursday, May 31st, at the VIP Tailgait, just before the queen and her court are crowned.

3) Describe the horsemanship component. What disciplines are welcome? What skills should my horse and I be able to perform?

All disciplines are welcome! We will provide a pattern in advance that will be applicable to all disciplines. The level of difficulty will be beginner-intermediate level. Pattern will be provided before the testing date.

4) Do I have to own the horse I ride in horsemanship?

No, you do not have to own the horse you use for the horsemanship class. However, it is required that you do own or lease at least one horse of your own, even if you do not use the animal during the contest.

5) What should I wear on February 28th?

Since interviews will take place on this day, professional wear is highly encouraged. Hats are optional. Please let your personality shine through! We want to know who you are. Use your best judgment and plan on presenting yourself in the most professional way possible!

6) If I win the contest, will I be reimbursed for my expenses throughout the year?

Yes, if you are selected as queen, you will be given a stipend amount of no less than \$2000 to cover wardrobe and traveling expenses.

7) What types of awards will be given?

Among our impressive spread of awards includes a two horse Eclipse bumper pull horse trailer, custom Montana Silversmith belt buckle, horse products, clothing, jewelry & more!

8) Are there alternative dates for testing?

Unfortunately the answer is no. Since multiple judges will be present on the 28th, you must be present on February 28th. If selected as a top ten finalist, you must be present on March 7th.

9) Will I still be eligible if I turn 26 in 2016?

Yes! If you are 16-25 years of age as of January 1st, 2016, you are eligible to compete in the 2016 contest.

10) Why do I have to be a member of the Indiana Horse Council? How can I learn more about the organization?

We require current IHC membership because this is an activity of the organization and should you win or become a finalist in the contest, you'll be representing the Indiana Horse Council at several events. One goal of the program is to raise awareness of the Indiana Horse Council and its efforts within the equine industry. You can learn more about the organization by visiting <http://www.indianahorsecouncil.org/> or requesting more information from Julie Pursley at jkpursley@hotmail.com

11) What types of questions will be asking during the interview?

Since we only have a short time to get to know our applicants, the interviews are of utmost importance! During the interviews, our judges may ask about your goals, activities within the horse industry, overall knowledge of the organization and more. Be prepared to be yourself and bring a positive, enthusiastic attitude!

Dystocia Case Study:

My phone rang at 1:30 in the morning. A dystocia (difficult birth) had been referred to the hospital by another equine veterinarian. The patient was a five year old Standardbred mare with a great race record. She was pregnant with her first foal. The owners had discovered the mare having difficulty foaling at their farm a little after 10:00 PM. The attending veterinarian had worked to deliver a live foal to no avail, the foal was already deceased. The attending veterinarian then attempted a fetotomy to remove the foal. Now the emphasis was on saving this very valuable mare. When it became clear that greater resources would be needed, the mare was referred to Conley and Koontz Equine Hospital.

I notified the rest of our team immediately. Another veterinarian and two veterinary technicians joined forces at the hospital and quickly readied equipment and supplies for any possible situation. Every team member was trained, knew their part, and what was expected of them.

The mare arrived a little after 3 am. The foal was presenting three legs through the vulva. Our physical exam and initial bloodwork indicated that the mare was still in good physical condition. An IV (intravenous) catheter was placed and the mare was sedated. An attempt was made to reposition the foal. After no success the mare was anesthetized and lifted by her rear legs to allow an assisted delivery. Gravity helps pull the foal back into the uterus for easier repositioning. This method also failed.

It was quickly decided that the mare needed a cesarean section to remove the foal in order to save the mare's life. The mare's abdomen was clipped and she was placed on the surgery table. She was put on oxygen and anesthetic gas to keep her stable. Her heart rate, CO₂, oxygen level, blood pressure, respiratory rate, EKG, etc. were monitored throughout surgery.

Surgery was successful with the foal lifted out of the mare's uterus with the aid of an overhead winch. The foal was deformed, which can often be the cause of birthing problems.

The mare's recovery went well and she was discharged from the hospital five days after surgery.

This mare suffered severe vaginal damage during the attempted delivery and fetotomy on the farm. She later sloughed much of the vaginal scarring, so it was recommended that she should no longer be allowed to foal herself. She is now in an embryo transfer program offered by the hospital.

If this mare had been at Conley and Koontz Equine Hospital for her foaling out, the hospital resources would have been available much sooner. Our expert staff would have been involved the moment the mare started the foaling process. The medical team and equipment required would be on hand so there would be no delay of medical intervention. There is a very real possibility that we could have delivered a live foal. At the very least, we could have prevented the severe uterine damage that occurred at the farm.

We offer foaling management and neonatal care at the hospital where 24 hour around the clock surveillance is available. We also have a surgical and neonatal team on call 24 hours a day 365 days a year. Your mare and foal will receive the highest care available here at Conley and Koontz Equine Hospital.

HAPPY 60th Bir

Zone Shows to Area Championship Shows; International Championship Shows to Pinto World Championship Shows; color registration to solid registration, the Pinto Horse Association of America has changed and grown tremendously throughout the past 60 years.

This year, the Pinto Horse Association of America is celebrating its 60th birthday!

The PtHA started from a grassroots movement to selectively breed horses for good color and conformation. Several horsemen in the 1930s formed the Pinto Horse Society with the purpose of breeding superior colored horses.

The registry they created shifted to the PtHA, which was formed in 1956 by Kay Heikens, Helen Hammond and other Pinto supporters.

The association started in New Jersey and relocated to several other locations including: Connecticut, Tulsa, Okla.; San Diego and Fort Worth, Texas. In 2004, PtHA moved to its present location, Bethany, Okla., because of the need for more office space, Joe Grissom, past Chief Operating Officer and Vice President, said.

Changes from office to office also brought changes to the PtHA staff and how the association operated.

"For many years, the association was run from the President's house," Grissom said. "Now, PtHA has progressed into a multi-million dollar corporation with a paid Chief Operating Officer and a large office staff owning its own building."

In the earlier years, the main focus of the association was registration and show approval for record keeping. Membership was not even required in order to participate in PtHA events.

Darrell Bilke, PtHA Vice President and Chief Operating Officer, initiated the idea of requiring a person to have a membership in order to participate in any PtHA event, Gerald Milburn, past PtHA President, said.

Today, the association has several membership opportunities including: individual, joint, corporate, youth and lifetime, just to name a few.

As the association changed in location and the way it runs, local charter shows became more consistent.

"[In the past,] shows and other national functions were operated by charters and volunteer workers," Milburn said. "Today, the association has strength with full time staff to enforce rules."

Now, with more than 30 charters throughout the United States, Canada and Sweden, PtHA members have local opportunities to get together and participate in local activities such as youth clubs, showing, and recreational riding to pro-

The grand opening of the new Pinto Horse Association office in Bethany, Okla.

mote and encourage others to be involved with PtHA.

In 1975, the association developed a youth program, now known as The Pinto Youth Horse Association, to encourage the interest of the Pinto horse on a state and national level. Today, the program elects national officers each year during the Pinto World Championships.

"Listening and responding to our members has brought effective results to our growth," Milburn said. "You can't do everything that is suggested but at least you can listen with integrity."

Along with the many perks of being a PtHA member, the association would hold annual membership and Board of Directors meetings at National shows. This later developed into what is now known as the PtHA Annual Convention.

In the late 80's the association started holding a convention two times a year then eventually changed to holding an annual convention starting in the early 2000s.

Today, the PtHA convention's purpose is to award members for their outstanding achievements by giving out awards and scholarships. Awards PtHA gives out include: Pinto of the Year, Advanced Awards, Zone Rivalry, Zone Invitations, Youth and Amateur High Point, Saddle Race and scholarships to our youth members. The PtHA Convention also holds

many meetings to discuss improvements that can be made to the association.

With all the changes made throughout the years, the addition of the Solid Division registry has brought amazing results to the amount of horses in the show ring.

PtHA registration policies have made significant upgrades allowing more consistent growth and participation, Milburn said. For instance, in 1970, a horse had to have 150 square inches of white in order to be considered for the color registry. This eliminated about 75% of the Overo horses and 40% of the Tobiano horses.

Each year brings something new and exciting to the association. Throughout the decades the growth has been astonishing and promises to grow for years to come.

Today, the PtHA office is located in Bethany, Okla., and keeps track of nearly 150,000 registered Pintos and 47,000 PtHA members.
